## CREATIVE WORK EXPERIENCE

**Studio Assistant/Bench Jeweler/Vendor for Stern Design Works**

June 2013 - Present

Role: Assisting in the fabrication and design of jewelry using various metalsmithing techniques, 3D printing, and handpainting. Also assisting in direct to customer sales at various markets.

**Freelance Illustrator**

August 2012 - Present

Role: Create illustrations and designs for clients on a commissioned basis in traditional and digital media. Primarily editorial illustrations, logos, and character design.

**Illustration/Concept Art Intern for Garbanzo Grafix**

July 2012 - October 2012

Role: Created concept sketches and style boards for various studio projects and participated in the design process utilizing Illustrator, Photosho, After Effects and Cinema 4D to mock up logos and style frames.

**Custom Graphic Artist for Enraged Panda Longboard Company**

September 2011 - May 2012

Role: Designed and painted custom graphics on longboards using acrylics based on client specifications.

**Illustrator for Reporter Magazine**

December 2010 - May 2012

Role: Created editorial illustrations for weekly publication, often on tight deadlines.

**PR/Advertising director for RIT Swing Dance Club**

September 2009 - May 2011

Role: Designed flyers, posters, and t-shirts for the club and promoted and organized various club events. Also helped teach weekly lessons.

## SKILLS

**Digital Art**

Proficient in Photoshop, Illustrator, and ArtRage Pro. Comfortable with using drawing tablets and Cintiqs.

Some experience with Flash, InDesign, After Effects, Cinema 4D and Zbrush, familiarity with using the Makerbot Replicator 2.

**Traditional Art**

Graphite, colored pencils, watercolors, chalk pastels, acrylics, charcoal, pen and ink, and basic metalwork.

*I look forward to working with you!*
